Re: *Complaint of AVR of Tennessee, L.P., d/b/a Hyperion of Tennessee,
L.P. Against BellSouth Telecommunications, Inc. to Enforce Reciprocal
Compensation and "Most Favored Nation" Provision of the Parties'
Interconnection Agreement*
Docket No. 98-00530

Dear Chairman Malone:

On May 17, 1999, BellSouth received supplementary documents from Hyperion in response to BellSouth's first request for production in this case. Counsel for Hyperion has advised that no additional responsive documents exist. Based upon such representations, and in light of Hyperion's supplemental responses to BellSouth's discovery requests, BellSouth's motion to compel filed on April 12, 1999 has been rendered moot. Thank you for your attention in this matter.

Yours very truly,

Guy M. Hicks
